

Application by a non-resident individual to receive UK rental income gross

About this form

- An individual whose usual place of abode is outside the UK can use this form to apply to have his or her UK rental income paid without deduction of UK tax. **Approval of the application does *not* make the rent exempt from UK tax.** The individual must include the rent in any Self Assessment Tax Return the Inland Revenue sends.
- Use this form only if you are an individual. A company should use form NRL2, and a trustee should use form NRL3.
- Use the *Guidance Notes for form NRL1* to help you complete this form. If you need more space attach a separate sheet.
- If your main Inland Revenue office is **Public Department 1** or **South Wales Area** (for example, Crown Servants), send this completed form to your main Inland Revenue office. In all other cases, send your form to the Inland Revenue's **Centre for Non-Residents**. The addresses are on Page 3 of this form.
